FOR IMMEDIATE RELEASE

P&C Pharma Announces New Investment In Company

Hospice of Dayton Invests in Company

Centerville, Ohio, USA, July 28, 2015: P&C Pharma, a company focused on personalized pharmaceutical medication technology, announces that Ohioôs Hospice of Dayton has made an investment in the Company.

ñWe are very pleased with this investment from Ohioôs Hospice of Dayton,ò said Joe DôSilva, Founder and CEO of P&C Pharma. ñIt validates the mission of our company to improve patient comfort and health outcomes through the use of personalized medication technology. We look forward to collaborating with Ohioôs Hospice of Dayton on the development of our first product, the QuartetRx™ automated compounding system.ò

"Our investment in P&C Pharma reflects Ohioôs Hospice of Dayton's commitment to high quality patient care and our belief in supporting local economic advancement," said Dr. Ruth Thomson, Chief Medical Officer for Ohio's Hospice. "P&C Pharma's mission to improve patient comfort and health outcomes is well-aligned with the Ohioôs Hospice of Dayton mission to provide superior care and superior services."

###
